COCKTAIL PARTY for Royal Children's Hospital

THE viva Royal Children's Hospital (vrCH) Young Members FUNdraising group gathered for a Bond-themed Casino Royale cocktail party at Eve nightclub in Southbank on May 25 to celebrate the group's fifth anniversary.

In true 007 style, guests were treated to martinis, cocktails and delicacies on arrival. A live auction featured a fashion show, raffle, door prizes and the best-dressed James Bond prize.

Gathering from backgrounds in medicine, law, finance and communications, the young professionals took some time out to enjoy each others' company for an evening.

Profits, which tallied \$7000, will help support cystic fibrosis patients.
